PASTOR'S COLUMN

"General Conference"

The 2024 General Conference of the United Methodist Church began this week in Charlotte, North Carolina with the theme of "...And Know that I am God." While there will be a variety of legislative initiatives including a proposed new clergy pension plan, I believe that the most challenging issues will be revising our Social Principals, adoption of a proposed Regionalization plan and moving forward after a significant number of United Methodist congregations disaffiliated.

The 1972 General Conference added the following sentence to The Social Principals: "Although we do not condone the practice of homosexuality and consider the practice incompatible with Christian teaching, we affirm that God's grace is available to all." This General Conference will try to remove this sentence from the Social Principals and simply state; "We affirm that God's grace is available to all." This change could be made with a simple majority vote.

The second issue is more of a challenge (at least from my perspective). The concept of Regionalization proposes that the denomination will remain one, but each region of the world will have its own version of the United Methodist Church. This would allow United Methodists in the United States to become more progressive and United Methodists in Africa to remain conservative. This proposal will require a two thirds vote.

Finally, those who supported the disaffiliation movement but did not leave, want to make it easier for congregations around the world to disaffiliate in the future. I have absolutely no idea of how this will play out.

Each General Conference comes with surprises. I am sure that this General Conference will be no different. The General Conference will conclude on Friday, May 3rd. We will do our best to keep you informed.

SPECIAL MUSIC IN WORSHIP

As the summer approaches and our Adult Choir takes a well-deserved break, we welcome and encourage your ideas/plans for providing special music to enhance our services. We have a process in place to assure music appropriateness, schedule availability, and supportive logistics are in place. Please submit your ideas via a form that is available in the church office and our Committee will take it from that point. We will use this process year around as there are always times when our regular ensembles are not available. Thank you again for your ideas to enhance the music ministry of MUMC. Worship Committee

MISSION OF THE MONTH

Wisconsin Annual Conference 2024 In-Gathering

Each year at our Annual Conference gathering churches are asked to donate items for people in need or people suffering from disasters. This year the Conference is working with Midwest Distribution Center to collect items for the Personal Dignity Kits and Home Care Kits.

Midwest Distribution Center distributes the kits locally, nationally and internationally to those in need during times of crisis. All supplies are given free of charge regardless of gender, race or religion.

Midwest Mission is one of eight cooperating depots in the United Methodist Committee on Relief (UMCOR) Supply Network. Midwest Mission distributes UMCOR supplies in response to disasters within the United States.

Monona UMC will be a collection point for other churches to drop off their items.

We will only collect funds for these kits, so please mark your checks or on-line donations "Ingathering". Thank you for your generous support of this mission.

"CALLING ALL who want to build a better food system"...

Our coffee has put small farmers first since day one. We pay a guaranteed price, offer preharvest financing, and support sustainable agricultural projects. These long-term partnerships continue to bring us the best and sweetest beans.

Most teas—even those that are certified as fair trade—come from large plantations where workers have no voice or power. The small farmers who grow our tea control their own land and livelihoods. Join us in building a farmer led future for the tea industry.

Conventional chocolate has a long history of exploitation, child labor, and poverty wages that still persist today. We have built an alternative by committing to transparently sourced ingredients at fair prices directly in partnership with small farmer co-ops.

You've answered the call...... We can't thank you enough for your continued purchases of Fair Trade products!

Ideas, questions or suggestions please reach out to either of us. Jackie Hull 608-576-7837 Karelyn Hopkins 608-577-3185 Fair Trade Coordinators

NEWS ABOUT THE MUMC RAIN GARDEN PROJECT

If you wonder what happened to the well wishes you dropped along with your spare change into the wishing well a month or two ago, here is some good news. When we dug into the bottom of the well, we harvested numerous coins and dollar bills and checks enough to purchase 340 tiny perennials for our rain garden. The plants are still in their early infancy, being nursed by Plant Dane volunteers. Saturday, May 18, is the day the baby plants will arrive on our doorstep.

Mark Buffat has arranged for some young volunteers to start planting on May 18. If you would like to participate, **join us for planting starting at 9am until 12 noon**.

Many thanks to all who contributed. Church & Society is thrilled with your interest and your generosity. Please pray that our journey forward with our rain garden will be a blessing to all.

THE WISHING WELL IS GEARING UP AGAIN, asking,

HOW DO YOU EXPRESS YOUR LOVE FOR MOTHER EARTH?

Maybe you...

- ...plant bulbs in the fall for your yard to erupt into a rainbow of colors in the spring
- ...cannot wait to get out in the woods now, to meet God's amazing wildflowers

once again

- ...avoid using pesticides and herbicides in order to not harm the environment
- ...drive an EV car to reduce your greenhouse gas output
- ...recycle all you can
- ...have put solar panels on your roof
- ...harvest rainwater for the plants in your yard
- ...feed the birds in the winter
- ...grow your own vegetables
- ...thank God for being born human, able to comprehend, at least to some extent,

how awesome life on earth really is

Share how you express your love for Mother Earth with the wishing well, please.

STEWARDSHIP - PAYING IT FORWARD

"Do not be deceived; God is not mocked, for you reap whatever you sow . . . So let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up." Galatians 6: 7, 9

According to the Good News Network, 84% of adult Americans agree with the idea that "what goes around comes around." Therefore, the same number also say that they will go out of their way to "pay it forward" whenever possible.

Respondents reported that they were doing so in a number of ways, including:

- Treating their loved ones to something special (50%)
- Giving generous tips (48%)
- Helping out a neighbor by carrying their groceries or shoveling snow (46%)
- Donating money to organizations or charities (40%)

In addition, almost four in ten said they volunteered their time to help friends or family or supported locally owned business. The average adult engages in five generous acts per week, which adds up to 260 random acts of kindness each year.

Whether it's to align their cosmic mojo or simply acting out of human nature, those who pay it forward believe these acts have real effects on more than those on the receiving end. Americans feel better about themselves (49%), their life overall (37%), and feel more confident (22%) when they extend kindness to others.
